EXPERIENCE

• **Cyperts Digital Solutions Pvt. Ltd., India**

Business Development Executive

(Jan 2023 – Feb 2024)

- Generated ₹25 Lakhs+ (~£25K) in revenue from UK & US clients through analytics-driven targeting.
- Processed 200+ daily B2B leads using SQL & Excel, improving accuracy & conversion.
- Built financial dashboards in R & Power BI for consulting clients.
- Increased campaign response rates by 18% through data-driven email marketing with Zoho & Salesforce.

PROJECTS

- **Forecasting & Sentiment Analysis** – MSc Module Project (R)
 - Forecasted US Personal Consumption Expenditure (1959–2025) using Naïve, ETS & ARIMA; ARIMA achieved MAPE <0.2%.
 - Conducted time-series diagnostics and sentiment analysis of 2,000 hotel reviews, identifying five key drivers of satisfaction.
- **Counterfeit Products Detection** – Personal Project (Python, ML, NLP)
 - Built an SVM classifier (94% accuracy, AUC = 0.98) to detect fake reviews using TF-IDF & metadata features.
 - Created a Counterfeit Risk Score combining review patterns & anomalies to flag high-risk sellers.
- **Decision Analysis & Regression** – MSc Assignment (R, Excel)
 - Applied MCDA (TOPSIS, WSM, sensitivity analysis) for business site selection under multiple constraints.
 - Conducted sales regression modelling, identifying macroeconomic drivers of demand.
- **Dissertation – MSc Thesis: Public Perception of Cryptocurrency in Real Estate**
 - Conducted 20 semi-structured interviews across UK, India & UAE; analysed using thematic & sentiment analysis.
 - Found that adoption hinges on regulatory clarity, professional training, and generational trust shifts.

ACHIEVEMENT

- National-level skating Gold Medalist.
- Certified with Tally ACE, PRO and Advanced Certificate.
- Promoted to Shift Leader in 6 months for high performance and leadership potential in Taco Bell Leeds, UK.
